

# FINDING THE RIGHT HELPER FOR YOUR FAMILY ABROAD

## Questions to ask during the interview

- What tasks can they do that are relevant to you: cleaning, ironing, cooking, baby sitting/ child minding, driving, gardening?
- What tasks don't they do? Is that a deal breaker?
- What languages do they speak? Do you understand their accent?
- Have they worked for foreign families before?
- Have they worked for dual career couples or are they used to having a stay at home mum/dad around?
- What age were the children they have cared for before?
- What type of activities did they do with the children?
- What age are they?
- Do they have children themselves and where are they?
- If you have pets, do they have any allergies or other reasons not to want to care for them?
- Do they need to live with you or do you or they prefer live out?
- Work hours, salary and holiday expectations of both parties? (don't forget to check legal requirements here)
